

# Bayhealth – Milford

Bayhealth is holding referral-based drive-thru screenings. We have set it up this way to help save community members from the inconvenience of attending a drive-thru and being turned away if they aren't eligible to be screened.

If you have symptoms, such as fever, cough or shortness of breath, **call our hotline at 302-310-8477**, Monday–Friday from 8:15 a.m. to 6 p.m. and Saturday–Sunday from 10 a.m. to 2 p.m. During the call you will be pre-screened by a physician, nurse or advanced practice provider. If you meet the criteria, you will be directed to a screening location. You may also contact us at [coronavirus@bayhealth.org](mailto:coronavirus@bayhealth.org).
